

Review of Electric Utility Hurricane Preparedness and Restoration Actions

Docket No : 20170215-EU

Name : Lawrence Anthony

Electric Utility Provider : EM864 - Keys Energy Services

Zip Code : 33042

Category : Other

Comments : Of all the states Florida is the most blessed in terms of amount of sunshine, wind, and water, all of which provide non polluting sources of clean energy. Provided the infrastructure for such is built, its is plain crazy to use any other form of energy here. Harnessing the sun, the wind, the tides should be sufficient to our needs
