

Review of Electric Utility Hurricane Preparedness and Restoration Actions

Docket No : 20170215-EU

Name : Janet Gallagher

Electric Utility Provider : EI802 - Florida Power & Light Company

Zip Code : 34209

Category : Power restoration time

Comments : I was the most fortunate of my friends who live in Bradenton. The power at my home was out for a matter of hours where some of them had to leave their homes for anywhere from 4 days to three weeks before power was restored to their home. Those who are older or who have children and animals underwent enormous hardship.

What would have happened if Bradenton had received a direct hit? Would we be like those in Puerto Rico who are still without power?
