

Review of Electric Utility Hurricane Preparedness and Restoration Actions

Docket No : 20170215-EU

Name : Roberta Miller

Electric Utility Provider : EM862 - JEA

Zip Code : 32216

Category : Other

Comments : I urge you to compel the electric company to do more investing in solar power. It is the energy of the future for Florida. Coal and Fossil Fuels should be a relic of the past. For the sake of present and future generations, I urge the Commission to seriously consider my request.

Thank you,

Roberta Miller
