Review of Electric Utility Hurricane Preparedness and Restoration Actions
Docket No: 20170215-EU
Name: Diane D'Avanzo
Electric Utility Provider: EI801 - Duke Energy
Zip Code: 32714
Category: Power restoration time
Comments: During the September 2017 Hurricane it took Duke Energy 8 days to restore electric to my home. Including solar power as a back-up or supplemental to electric power must become an reality for our near future.
