

Review of Electric Utility Hurricane Preparedness and Restoration Actions

Docket No : 20170215-EU

Name : Rene and Margaret Morales

Electric Utility Provider : EI802 - Florida Power & Light Company

Zip Code : 33129

Category : Other

Comments : It is important that we move forward with new technologies and support the use of renewables to business and residential use.

We had no power for two weeks while others for much longer. With a battery and solar system there would have been no down time.

We support renewable energy for environmental and its conveniences.
