In re: Joint Petition to determine need for the Shady Hills combined cycle facility, by Seminole Electric Cooperative, Inc. and Shady Hills Energy Center, LLC.	DOCKET NO. 20170267-EC DATED: MARCH 20, 2018

**PETITIONERS SEMINOLE ELECTRIC COOPERATIVE INC.'S' AND SHADY HILLS ENERGY CENTER, INC'S, NOTICE OF ERRATA TO POSITION STATEMENTS**

Petitioners, Seminole Electric Cooperative, Inc. and Shady Hills Energy Center, LLC, hereby give notice of errata to their position statements included in the Prehearing Order (No. PSC-2018-0151-PHO-EC), and state:

1. After the prehearing conference on March 12, 2018, undersigned counsel notified counsel for Commission Staff of changes to Petitioners' Statement of Basic Position and their positions on Issues 3A, 3B, 5A and 5B from what was stated in Petitioners' Prehearing Statement. Specifically, undersigned counsel indicated that, due to the recent filing of revised testimony for Ms. Diazgranados, the references in those position statements to "approximately \$388 million (or more)" as the "projected net present value (NPV) savings as compared to the next ranked alternative over the study period" should be changed to "\$530 million." Upon reflection, this was incorrect, as the revision to Ms. Diazgranados' testimony does not affect the NPV savings as compared to the next ranked alternative.

2. The correct NPV savings value that should be included in the position statements identified above is \$363 million, as the \$388 million value originally stated in Petitioners' Prehearing Statement was a typographical error.

3. Undersigned counsel apologizes to the Commission and the parties for this error and for any misunderstanding or confusion it may have caused.

Respectfully submitted this 20th day of March, 2018.
