Subject: DN 00969-2018; New Docket No. 20180072

Hi, Sakina,

New Docket 20180072 has been established. It is noted that a copy of DN 00969-2018, which is currently in undocketed matters, is attached to the request to establish docket. Should DN 00969-2018 be moved from undocketed matters to new Docket 20180072?

Dorothy
