**Subject:** Docket 20170174 - Party of Record / Interested Person - Clarification Request  
**Importance:** High

Good morning, Kyesha,

Back in September 2017, the City of Clermont filed an objection (07846-2017) to Utilities, Inc.'s application for transfer of assets and amendment of wastewater certificate. The City of Clermont has been added as an interested person. There is no petition to intervene filed by the City of Clermont. Yesterday, there was a joint motion to continue hearing (02729-2018) filed by City of Clermont and Utilities, Inc. Should the City of Clermont be changed to a party of record or leave them as an interested person?

Thank you for your help,

Dorothy
