Pursuant to Section 2.07(2)(d)4. of the Commission's Administrative Procedures Manual, the Office of the Commission Clerk may administratively close dockets as described below upon the joint recommendation of the OPR division and GCL:

Other dockets initiated by the filing of a petition, application, notice, complaint or other request in which the applicant, petitioner or complainant seeks to withdraw its initial pleading and staff has determined that there are no pending issues that need to be addressed by the Commission regarding the filing and no request for refund of filing fee has been made.

Docket No. 20180036-WS was initiated on February 13, 2018, by the filing of a petition for partial rule waiver or variance by Deer Creek RV Golf & Country Club, Inc. (DN 01170-2018). On April 23, 2018, the utility withdrew its petition (DN 03157-2018).

Staff has determined that there are no pending issues that need to be addressed by the Commission regarding the filing and no request for refund of filing fee has been made. Staff therefore requests that Docket No. 20180036-WS be closed.
