Subject: FPSC Docket No. 20170265-GU

Good Morning Ms. Stitt,

Per our discussion yesterday, it's my understanding that St. Joe does not oppose the depreciation rates shown in the Staff Report (dated 4/9/18) concerning St. Joe's 2017 Depreciation Study and can agree on those rates being recommended for adoption to the Commission (Commissioners). Is this understanding correct? Thank you very much.
