In re: Petition by Florida Power & Light
Company for Limited Proceeding for Recovery
of Incremental Storm Restoration Costs
Related to Hurricane Matthew

Docket No: 20160251-EI

Date: May 15, 2018

JOINT MOTION FOR APPROVAL OF SETTLEMENT AGREEMENT

Florida Power & Light Company (“FPL”) and the Office of Public Counsel (“OPC”;
collectively, FPL and OPC are the “Signatories”) jointly move the Florida Public Service
Commission (“Commission”) to review and approve on an expedited basis the attached
Stipulation and Settlement (“Agreement”) as full and complete resolution of all matters pending
in Docket No. 20160251-EI (the “Proceedings”) in accordance with Section 120.57(4), Florida
Statutes, and to enter a final order reflecting such approval to effectuate implementation of the
Agreement. In support of this Joint Motion, the Signatories state:

1. The Signatories have been engaged in negotiations for the purpose of reaching a
comprehensive stipulation and settlement of all issues pending in the Proceedings, thereby
avoiding the uncertainty associated with the outcome on the issues. These negotiations have
culminated in the Agreement attached hereto as Exhibit A. The Signatories request that,
following the Commission’s review of this Joint Motion and the Agreement, the Commission
grant the Joint Motion and approve the Agreement in order to allow for orderly implementation
thereof and provide certainty to the parties and their respective constituents and customers with
respect to the outcome of the Proceedings.

2. The Agreement provides, among other things:

a. The Agreement will become effective upon Commission approval of the
Settlement Agreement.

- b. FPL's claimed Recoverable Storm Amount for Hurricane Matthew is \$316.459 million (jurisdictional).
- c. FPL has collected \$322,449,167 pursuant to the authorized interim storm restoration charge.
- d. The Recoverable Storm Amount will be reduced by a total of \$21,700,000, such that the total amount to be recovered from customers is \$294,759,000.
- e. Of the \$21.7 million total reduction:
 - i. \$20 million will be reclassified as capital and added to FPL's retail Plant in Service balance in Account 364.1 - Poles, Towers and Fixtures (Wood), for all surveillance and future rate setting purposes. OPC agrees not to dispute the reasonableness or prudence of this additional \$20 million of capital in any future rate proceeding.
 - ii. \$1.7 million will be transferred to base rate O&M expense in 2018 and reflected as such on FPL's earnings surveillance reports.
- f. FPL will refund to customers \$27,690,167, plus interest at the 30-day commercial paper rate, as a one-time refund, in the manner described in FPL witness Tiffany Cohen's direct testimony filed on February 20, 2018. Exhibit 1 to the Agreement consists of a tariff sheet reflecting the refund. FPL will apply the refund tariff sheet to customer bills for one month of consumption starting no later than Cycle Day 1 of the first month that is more than 30 days after Commission approval.
- g. FPL and OPC agree that nothing in the Agreement will have precedential value.

3. Each of the Signatories agrees that it has entered into the Agreement voluntarily, that it fairly and reasonably balances the various positions of the Parties on issues in these proceedings, and that it serves the best interests of the customers they represent and the public interest in general. The Signatories believe that the Agreement is reasonable and in the public interest for several reasons, including the following:

- a. The Agreement would provide for a reasonable recovery by FPL of incremental Hurricane Matthew storm restoration costs.
- b. As a result of this settlement, FPL's customers will be refunded \$27,690,167, plus interest, as a one-time refund starting no later than Cycle Day 1 of the first month that is more than 30 days after Commission approval.

4. For these reasons, approving the Agreement is fully consistent with the Commission's long-standing policy of encouraging the settlement of contested proceedings in a manner that benefits the customers of utilities subject to the Commission's regulatory jurisdiction.

5. The Signatories to the Agreement request that the Commission rule on this Joint Motion for Approval of Settlement Agreement as soon as possible, so that FPL may implement the refund promptly.

6. FPL is authorized to represent that the Intervenors, FRF and FIPUG, take no position at this time and reserve the right to file a response within the time allowed by Rule 28-106.204(1), F.A.C.

WHEREFORE, FPL and OPC respectfully request that the Commission approve the Stipulation and Settlement attached hereto as Exhibit A.

Respectfully submitted,

STIPULATION AND SETTLEMENT

WHEREAS, Florida Power & Light Company (“FPL” or the “Company”) and the Office of Public Counsel (“OPC”) have signed this Stipulation and Settlement (the “Agreement”; unless the context clearly requires otherwise, the term “Signatory” or “Signatories” means a signatory to this Agreement); and

WHEREAS, FPL incurred significant costs to enable the rapid restoration of electric service to its customers in connection with Hurricane Matthew; and

WHEREAS, on December 29, 2016, FPL petitioned the Florida Public Service Commission (“Commission”) for a limited proceeding for recovery of incremental storm restoration costs related to Hurricane Matthew pursuant to the Revised Stipulation and Settlement Agreement approved by Commission in Order No PSC-13-0023-S-EI¹; and

WHEREAS, FPL has filed direct and rebuttal testimony and exhibits, and OPC has filed testimony and exhibits reflecting competing positions on cost recovery issues in this docket; and

¹ Docket No. 120015-EI, issued on January 14, 2013.

WHEREAS, on March 15, 2018, FPL filed the Supplemental Exhibit TCC-1 of Tiffany Cohen reflecting total collections of \$322,449,167 pursuant to the authorized interim storm restoration recovery charge; and

WHEREAS, on May 2, 2018, FPL filed Exhibit KO-2 (Corrected) of Kim Ousdahl reflecting Total System Storm Losses to be Recovered from Customers ("Recoverable Storm Amount") of \$316,459,000 (jurisdictional); and

WHEREAS, the Signatories have entered into this Agreement in compromise of positions taken in accord with their rights and interests under Chapters 350, 366 and 120, Florida Statutes, as applicable, and as a part of the negotiated exchange of consideration among the Signatories to this Agreement each has agreed to concessions to the others with the expectation that all provisions of the Agreement will be enforced by the Commission as to all matters addressed herein with respect to the Signatories, upon acceptance of the Agreement as provided herein and upon approval in the public interest;

NOW THEREFORE, in consideration of the foregoing and the covenants contained herein, the Signatories hereby stipulate and agree:

1. This Agreement will become effective upon Commission approval (the "Implementation Date").
2. The Recoverable Storm Amount of \$316,459,000 (jurisdictional) will be reduced by a total of \$21,700,000 (the "Reduction"), such that the total amount to be recovered from customers (the "Reduced Recoverable Storm Amount") is \$294,759,000.
3. \$20 million of the Reduction will be reclassified as capital and added to FPL's retail Plant in Service balance in Account 364.1 - Poles, Towers and Fixtures (Wood), for all surveillance and future rate setting purposes. OPC agrees not to dispute the

reasonableness or prudence of this additional \$20 million of capital in any future rate proceeding.

4. The remaining \$1.7 million of the Reduction will be transferred to base rate O&M expense in 2018 and reflected as such on FPL's earnings surveillance reports.
5. The Signatories will support approval of the Agreement and will not request or support any order, relief, outcome or result in conflict with it. No Signatory to the Agreement will request, support or seek to impose a change to any provision of the Agreement.
