Ms. Menasco,

I left you a voicemail, but wanted to reach out electronically as well. Suzanne Brownless sent the email below to Tampa Electric's attorney indicating that one of the company's filings contained blank pages. This issue has happened twice in other dockets. I believe you said it had something to do with how the FPSC's new case management system (CMS) accepts a filing via the web portal into the FPSC database. It sounded like a glitch in the programing tool of CMS.

Would you be so kind to look into this issue for me again? The filing in question is highlighted below. Also, attached for your reference is Tampa Electric's filed version, which contains Exhibit No. JSC-1, Document 4 (page 67 of the attached PDF.)

Thank you.

Jeff: Looking at Chronister's testimony and exhibits we noticed that Page 27, Ex. JSC-1, Doc. No. 4, was blank. My email has page 27 but the testimony provided to the Clerk, DN 03789-2018 does not. Can you please file page 27 with the Clerk when you get a chance?

Many thanks,
Suzanne
