This whole proposal is ridiculous. It appears to us that the biggest users of water (WestGate/River Ranch) are wanting us year round residents to pay for THEIR usages. They employ year round workers, and use and waste water EVERYDAY of the year. Restaurant, General Store, Hotel, Laundry and sprinklers. They even run sprinklers on the days it rains. We live in Countryside. We don't water our lawn and rarely even wash the car. The ONLY fair solution we see is to meter every property and we all pay for actual useage. Meter the wastewater returns too. For us to pay 1x for West Gate/River Ranch usage is not only unfair, it's disgraceful and immoral.

FOLD & TAPE -- See back for address

And why do they only work on the water system during the week and NOT on weekends? Cant inconvenience the guests at WestGate/River Ranch?
