Hi Henry,

Thanks for your patience. I have confirmed that the opt out tariff would apply to all rate classes, not just RS-1 (except net metered customers, which the tariff explicitly excludes).

Thanks,
Dianne

Good Morning,

Re: Docket No. 20180088-EI; *Petition of Duke Energy Florida, LLC, for Limited Proceeding for Approval of a smart meter opt-out tariff*

I have a follow up question to Q8 in Staff's First Data Request:

Will the NSMR Rider charges apply in addition to the rates for *all rate classes* (not just RS-1) for those who choose to opt out?

Thank you,

Henry Merryday
