Re: Docket No. 20180138-SU - Application for staff-assisted rate case in Volusia County by North Peninsula Utilities Corporation.

Dear Mr. Hillman:

Staff has completed its review and has determined that North Peninsula Utilities Corporation (NPUC or Utility) is eligible for a staff-assisted rate case (SARC). The filing fee for this rate case is \$1,000 based on the capacity of the Utility's system as provided by Section 367.145(2), Florida Statutes (F.S.) and Rule 25-30.020(2)(f), Florida Administrative Code (F.A.C.). The filing fee must be received by September 14, 2018, which will be the official filing date for this rate case. Pursuant to Rule 25-30.455(8), F.A.C., the Commission will deny the application if a utility does not remit the fee within 30 days after official acceptance.

Please forward a copy of NPUC's application for a SARC to the Chief Executive Officer of Volusia County. This is required by Section 367.091(2), F.S., which states:

Upon filing an application for new rates, the utility shall mail a copy of the application to the chief executive officer of the governing body of each county within the service areas included in the rate request. The governing body may petition the commission for leave to intervene in the rate change proceeding, and the commission shall grant intervenor status to any governing body that files a petition.

Please file an affidavit stating that this requirement has been fulfilled. The affidavit and filing fee should be sent to the address below:
