Subject: FLP purchase of Vero Beach Electric.

Please add my voice to those that are strongly against the sale of Vero Beach Electric to FPL. The proponents have kept the public from hearing all the details of the long term negative effects to the residents of Vero Beach and the owners of Vero Beach Electric. The pro sales say 2 referendums were voted on for the sales. What they won't tell you is that at that time years ago when these votes took place FPL and their supports like Glen Herron promised city residents that the city would net \$155,000,000 or \$155 million not the \$30 million that we are now to receive, or less that 20% of what was originally promised. The pro sales group claims to have many signatures on a petition to sell, but most of the signers are not city of Vero Beach residents and thus the owners of the Utility. Please you are the last person to help us the residents of the City of Vero Beach and the rightful owners, save us from outsiders stealing our utility. Thank you.
