Dear Commissioner

The people of Vero Beach have tried to have Florida Power and Light be our utility company for almost ten years. We have voted and passed two referendums, put up with dishonest politicians, and spent millions of dollars more than we should. Just when we thought we would finally see reasonable rates we have to face the members of FIPUG. Please allow us to be able to receive the lower rates and fine service FPL can offer us.

Please let justice prevail.
Barbara DeTurris
Resident of Vero Beach
