Subject: RE: Docket No. 20180066-WU Kincaid Hills Water Co.
Importance: High

Following up on the voicemail left earlier, my dad's home was burglarized a couple weeks ago, and his laptop (with the KHWC data) was among the items stolen. He is trying to see if there is a back-up file somewhere, but we will not be able to provide the information we discussed by today. So, if the related agenda items are tabled until next meeting, he may be able to locate a back-up file or recover some information that would be sufficient.

Please feel free to email/call me if you need to discuss this further prior to Wednesday. Otherwise, I will follow-up when we have some information in the near future.

Thanks.

Subject: Docket No. 20180066-WU Kincaid Hills Water Co.

Mr. Knowles,

Per our conversation this morning, we will plan on calling you back this Friday, August 24th at 9:00 AM (PST) to follow up on an inquiry from the Office of Public Counsel (OPC) regarding the

disposition of customer deposit refunds. The application for transfer of Kincaid Hills Water Co. to Gator Waterworks, Inc. stated that the customer deposits were being retained by the Seller for appropriate disposition, which would be the application of any remaining customer deposits to the ending account balances and refunding any final credits to the customer. Could you provide staff an update and documentation supporting the finalization of the customer deposit refunds? Please let me know if you have any further questions.

Thank you,

Amber Mitchell Norris
