In re: Petition to initiate rulemaking to revise
and amend portions of Rule 25-6.0426, F.A.C.,

Docket No: 20180143-EI

Date: October 8, 2018

**FLORIDA POWER & LIGHT COMPANY'S REQUEST
FOR CONFIDENTIAL CLASSIFICATION OF INFORMATION
PROVIDED IN RESPONSE TO THE STAFF OF THE FLORIDA
PUBLIC SERVICE COMMISSION'S FIRST DATA REQUEST (Nos. 6 & 7)**

Pursuant to Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code, Florida Power & Light Company ("FPL") requests confidential classification of certain information provided in response to the Staff of the Florida Public Service Commission's ("Staff") First Data Request (Nos. 6 & 7) ("Confidential Discovery Responses"). In support of its Request, FPL states as follows:

1. On September 7, 2018, Staff served its First Data Request (Nos. 1-8) on FPL. FPL's Response to Staff's First Data Request Nos. 6 & 7 contain information of a confidential nature within the meaning of Section 366.093(3), Florida Statutes.

2. FPL served its responses to Staff's First Data Request (Nos. 1-8) on October 8, 2018. This request is being filed contemporaneously with the service of the responses to Staff's data request in order to request confidential classification of the Confidential Discovery Responses consistent with Rule 25-22.006, Florida Administrative Code.

3. The following exhibits are made a part of this request:

a. Exhibit A consists of a copy of the Confidential Discovery Responses on which all information that FPL asserts is entitled to confidential treatment is highlighted.

b. Exhibit B consists of an edited version of the Confidential Discovery Responses on which all information that FPL asserts is entitled to confidential treatment is redacted.

c. Exhibit C is a table containing a page-and-line identification of the information highlighted in Exhibit A and a brief description of the Confidential Information. Exhibit C also references the specific statutory bases for the claim of confidentiality and identifies the declarant who supports the requested classification.

d. Exhibit D is the declaration of Tiffany C. Cohen in support of this Request.

4. FPL submits that the highlighted information in Exhibit A is proprietary confidential business information within the meaning of Section 366.093(3), Florida Statutes. This information is intended to be and is treated by FPL as private, and its confidentiality has been maintained. Pursuant to Section 366.093, such information is entitled to confidential treatment and is exempt from the disclosure provisions of the public records law. Thus, once the Commission determined that the information in question is proprietary confidential business information, the Commission is not required to engage in any further analysis or review such as weighing the harm of disclosure against the public interest in access to the information.

5. As the descriptions included in Exhibit C and the declaration included in Exhibit D indicate, the Confidential Discovery Responses provided by FPL contain information that relates to the competitive interests of FPL and its vendors, the disclosure of which would impair their competitive interests. This information is protected by Section 366.093(3)(e), Fla. Stat.

6. Upon a finding by the Commission that the Confidential Information remains proprietary and confidential business information, the information should not be declassified for at least an additional eighteen (18) month period and should be returned to FPL as soon as it is no longer necessary for the Commission to conduct its business. *See* § 366.093(4), Fla. Stat.

WHEREFORE, for the above and foregoing reasons, as more fully set forth in the materials and declaration included herewith, Florida Power & Light Company respectfully requests that its Request for Confidential Classification be granted.

Respectfully submitted,
