BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Petition for Declaratory Statement By Duke Energy Florida, LLC, Regarding PURPA Solar Qualifying Facility Power Purchase Agreements

DOCKET NO. 20180169-EQ FILED: October 8, 2018

SOUTHERN ALLIANCE FOR CLEAN ENERGY'S REQUEST FOR ORAL ARGUMENT

Southern Alliance for Clean Energy ("SACE"), pursuant to Rule 25-22.0022, F.A.C., hereby requests that the Florida Public Service Commission ("Commission") grant oral argument on SACE's Response in Opposition ("Response") to Duke Energy Florida's ("DEF") Petition for Declaratory Statement. The Response has been filed concurrently with this Request for Oral Argument.

SACE is requesting opportunity for oral argument on its Response because oral argument will aid the Commission's deliberations in evaluating the complex issues raised in DEFs petition. As raised in SACE's Response, DEF's petition implicates significant substantive and procedural legal issues, the interpretation of which will substantially impact DEF customers, including SACE members that are DEF customers.

Allowing SACE to present oral argument will facilitate the Commission's evaluation of the issues raised in DEF's petition. SACE can provide the perspective of its members, who are DEF customers, and requests to be allowed to explain its concerns with regard to DEF's petition and answer any questions the Commission may have regarding SACE's Response.

WHEREFORE, SACE respectfully requests that the Commission grant SACE's request for oral argument.

RESPECTFULLY SUBMITTED this 8th day of October, 2018

<u>/s/ George Cavros</u>
