**NOTICE**

**TO PROPERTY OWNERS REQUESTING SERVICE  
FROM GOLD COAST UTILITY CORP.**

**November 8, 2018**

On October 30, 2018, the Florida Public Service Commission approved tariffs for the gross-up of CIAC. The tariffs should be effective for connections made on or after the stamped approval date on the tariff sheets, which will be five days from the date of this notice. If you have any questions about these charges, please contact the utility at (863) 696-0504.

**Gross-Up of Service Availability Charges and Contributed Property**

Congress has passed, and the President has signed, the Tax Cuts and Jobs Act, effective January 1, 2018, which, among other things, removes the exemption from federal income taxes for contributions-in-aid-of-construction (“CIAC”). Upon the effective date of the utility’s tariff, the utility may gross-up cash service availability charges and property contributions in aid of construction in order to recover the federal and state corporate income taxes associated with those contributions.
