Staff's Second Data Request

Re: Docket No. 20180143-EI – Petition to initiate rulemaking to revise and amend portions of Rule 25-6.0426, F.A.C., by Florida Power & Light Company, Gulf Power Company, and Tampa Electric Company.

Dear Messrs. Beasley and Wahlen:

By this letter, the Commission staff requests that Tampa Electric Company (TECO) provide responses to the following data requests:

1. Please confirm that TECO's 2018 Forecasted December Earnings Surveillance report shows jurisdictional operating revenues of \$2,025,300,072 and that 0.15% would be \$3,037,950; however, for 2018, \$3 million is the limit of TECO's economic development expenses pursuant to Rule 25-6.0426(2)(b), F.A.C. If not, please explain.
2. The petition states on page 5 that TECO is presently limited to \$2.9 million for economic development expenses under current Rule 25-6.0426, F.A.C. Please explain and show the calculation of the \$2.9 million figure.
3. Please state TECO's projected total 2018 economic development expenses.
4. Please state the dollar amounts of shareholder portion of economic development expenses for 2016, 2017, and 2018.

Please file all responses electronically no later than December 17, 2018, from the Commission's website at www.floridapsc.com, by selecting the Clerk's Office tab and Electronic Filing Web Form. Please feel free to call me at (850) 413-6495 if you have any questions.

Sincerely,
