Re: Docket No. 20180215-WS, Petition for limited alternative rate increase in Highlands County by LP Waterworks, Inc.

Dear Mr. Rendell:

On November 26, 2018, LP Waterworks, Inc., (LP) filed a petition for a limited alternative rate increase (LARI) requesting authority to increase its rates for water and wastewater service pursuant to Sections 367.0814 and 367.121, Florida Statutes (F.S.), and Rules 25-30.457 and 25-30.458, Florida Administrative Code (F.A.C.). In accordance with Rule 25-30.457, F.A.C., the petition must be accompanied by certain information and schedules in support of the requested increase. We have reviewed the petition submitted on November 26, 2018, and have determined that the utility has met the initial requirements imposed by Rule 25-30.457, F.A.C. Therefore, pursuant to Rule 25-30.457(4), F.A.C., the official date of filing is established as January 22, 2019.

The staff engineer has determined the filing fee in this LARI is \$2,000 (\$1,000 for water and \$1,000 for wastewater). The fee is based on the capacity of the utility systems as provided by Section 367.145(2) F.S. and Rule 25-30.020(2)(f), F.A.C. A filing fee of \$1,500 was received along with the petition for this LARI. The balance of the filing fee of \$500 is due no later than January 22, 2019.

Sincerely,
