**Subject:** FPL's greed

Mr. Sauders (just now realize you aren't a Palm Beach Post writer) I was so appreciative at reading the story about FPL and the dispute over refunds/rates.

After the inordinate tax break that corporations got last year, I have been waiting for FP&L to give us SOMETHING BACK. My bill has just continued to increase in every category from fuel to Utility tax, Franchise charge (? - what the heck is that? Helping them pay for their rent?), gross receipts tax and storm charges - all amount to a very large bill.

With gas prices going nicely down, why is FP&L still charging us so much? We really deserve some of the money they are saving from Trump's gift to them in tax cuts. When is our bill going to be cut? I pray that the petition to the Public Service Commission doesn't fall on deaf ears - and the PSC starts acting on consumer's behalf instead of constanting giving to FP&L whatever they ask for.

Palm Beach Post - keep us informed please.

Looking for a break for a change from FP&L - the greed masters of the utility world!

PS: Hey Palm Beach Post - how come none of your articles seem to be PBP employees anymore!? I couldn't find one e-mail address after one of your articles - all from other big newspapers??? hmmm Get this word to the writer Mr. Sauders from the News Service of Florida.

Ms. Wegman - yours is the only e-mail address I could find in the paper! Where are all the other reporters that used to work w/The Palm Beach Post?? If you can help by sending this to whomever it might actually be read by at the PB Post - and Mr. Jim Saunders, I would appreciate it.
