Public Service Commission PSC, PSC,
FL

Dear Public Service Commission PSC,,

Florida Power & Light gets a \$649.6 million tax cut and wants to reward its investors, not its customers?

I've had enough of FPL's corporate greed and I deserve lower electric rates.

As a Floridian age 50+, I'm angered that Florida Power & Light is getting a massive tax cut and is passing those savings to shareholders instead of back to its customers. Customers of other utility companies across the U.S. have experienced lower bills as a result of the tax savings. FPL should also be taking care of its customers.

With skyrocketing healthcare, housing prices and minimal increases in Social Security, a decrease in monthly bills add up for people like me.

We need lower rates, now!

Sincerely,

Ms. Jean Pikus
