Public Service Commission PSC, PSC,
FL

Dear Public Service Commission PSC,,

Florida Power & Light gets a \$649.6 million tax cut and wants to reward its investors, not its customers?

I've had enough of FPL's corporate greed and I deserve lower electric rates.

As a Floridian age 70+, I've been paying a high price for my electric service for over 40 years, now it's time for FPL to do the right thing and share some of the windfall tax cuts it got from the Government.

Florida Power & Light is getting a massive tax cut and is passing those savings to shareholders instead of its customers. Other investor-owned utilities are sharing or are planning to share the tax cuts, FPL should as well.

With skyrocketing healthcare, housing prices and minimal increases in Social Security, a decrease in monthly bills add up for people like me.

We need lower rates, now!

Sincerely,

Mr. Anthony Payne
