Public Service Commission PSC, PSC,
FL

Dear Public Service Commission PSC,,

Florida Power & Light gets a \$649.6 million tax cut and wants to reward its investors, not its customers?

I've had enough of FPL's corporate greed and I deserve lower electric rates.

I was shocked to read that FPL has decided NOT TO RETURN part of their windfall to the people who use, and pay for, your services -- but to only reward your shareholders. That's not right. Florida needs to lead the nation in a GOOD way -

not the embarrassing ways we've seen in the last few years. Let's be the State that shows the other 49 how much we care for all our Floridians! Think of the great PR!

As a Floridian age 50+, I could use a lower rate. Customers across the U.S. have enjoyed lower bills as a result of a tax savings. We should too.

Thank you,

Karyn Posner-Mullen
Brickell Key.

With skyrocketing healthcare, housing prices and minimal increases in Social Security, a decrease in monthly bills add up for people like me.

We need lower rates, now!

Sincerely,

Ms. Karyn Posner-Mullen
