Dear Public Service Commission PSC,,

Florida Power & Light gets a \$649.6 million tax cut and wants to reward its investors, not its customers?

I've had enough of FPL's corporate greed and I deserve lower electric rates.

As a Floridian age 50+ and on a fixed income it would be so nice to receive a reduction on my FPL monthly bill.

Sincerely,

Ann Cody

Docket #20180046

With skyrocketing healthcare, housing prices and minimal increases in Social Security, a decrease in monthly bills add up for people like me.
We need lower rates, now!

Sincerely,

Mrs. Ann Cody
