Public Service Commission PSC, PSC,  
FL

Dear Public Service Commission PSC,,

Florida Power & Light gets a \$649.6 million tax cut and wants to reward its investors, not its customers?

I've had enough of FPL's corporate greed and I deserve lower electric rates.

As a Floridian age 50+, I'm fed up that Florida Power & Light is getting a massive tax cut and is passing those savings to SHAREHOLDERS.

Customers across the U.S. have enjoyed lower bills as a result of a tax savings. We should too.

I'm 71 years young, and doing my best to stay healthy physically, but it's VERY hard financially! Our health care system is a mess, and companies like FP&L are NOT doing their part, to reward customers, who have lived thru MANY hurricanes, with extensive outages!!

MANY in Florida are seniors on fixed incomes! A reduction in our electric bill, just might allow us to turn that A/C on earlier, or have it maybe a degree lower & be comfortable!! I might even be able to get the newspaper again!!

I'm fortunate to be a SENIOR, who CAN still try to make myself heard!  
PLEASE HEAR me & the many others who can't speak for themselves!!

With skyrocketing healthcare, housing prices and minimal increases in Social Security, a decrease in monthly bills add up for people like me.

We need lower rates, now!

Sincerely,

Ms. Nancy Jones
