Dear Public Service Commission PSC,,

Florida Power & Light gets a \$649.6 million tax cut and wants to reward its investors, not its customers?

I've had enough of FPL's corporate greed and I deserve lower electric rates.

As a Floridian age 50+, I'm fed up that Florida Power & Light is getting a massive tax cut and is passing those savings to shareholders.

Customers across the U.S. have enjoyed lower bills as a result of a tax savings. We should too.

The practice of granting massive tax cuts to FPL and any other public utility is outrageous -- especially in a state without an income tax.

Don't you Big Business has owned Tallahassee for far too long?

With skyrocketing healthcare, housing prices and minimal increases in Social Security, a decrease in monthly bills add up for people like me.

We need lower rates, now!

Sincerely,

Ms. Susan Sponnoble
