Public Service Commission PSC, PSC,  
FL

Dear Public Service Commission PSC,,

Florida Power & Light gets a \$649.6 million tax cut and wants to reward its investors, not its customers?

I've had enough of FPL's corporate greed and I deserve lower electric rates.

As a Floridian age 70+, I'm fed up that Florida Power & Light is getting a massive tax cut and is passing those savings to shareholders.

Customers across the U.S. have enjoyed lower bills as a result of a tax savings. We should too.

Do you not have a conscience for Senior people?

What about the Veterans who have served and given their life and limbs for this country that enables you all to sit on your fat rich behinds and get richer while we are struggling and trying to make it.  
We deserve to get something back.

I am unable to work due to injuries from my military time, yet there is no discount. How do you sleep at night just to please your investors?

With skyrocketing healthcare, housing prices and minimal increases in Social Security, a decrease in monthly bills add up for people like me.

We need lower rates, now!

Sincerely,

Ms. Lorraine Fraser
