Dear Public Service Commission PSC,,

Florida Power & Light gets a \$649.6 million tax cut and wants to reward its investors, not its customers?

I've had enough of FPL's corporate greed and I deserve lower electric rates.

Why should FPL's investors be the only ones to benefit from the tax cut? If other FL power companies are passing the savings on to their customers, why not FPL? Living on a fixed income is difficult enough.

Why should we be penalized by their greed?

With skyrocketing healthcare, housing prices and minimal increases in Social Security, a decrease in monthly bills add up for people like me.
We need lower rates, now!

Sincerely,

Mrs. Marlene Perna
