Dear Public Service Commission PSC,,

Florida Power & Light gets a \$649.6 million tax cut and wants to reward its investors, not its customers?

I've had enough of FPL's corporate greed and I deserve lower electric rates.

As a Floridian age 70+, I'm extremely distressed that Florida Power & Light is getting a massive tax cut and is passing those savings to shareholders rather than its Customers. Other Power Companies across the US have shared their savings from the tax cuts with their Customers. FPL should too.

With skyrocketing healthcare, housing prices and minimal increases in Social Security, a decrease in monthly bills add up for people like me.

We need lower rates, now!

Sincerely,

Mrs. Judith McCoy
