Public Service Commission PSC, PSC,

Dear Public Service Commission PSC,,

Florida Power & Light gets a \$649.6 million tax cut and wants to reward its investors, not its customers?

I've had enough of FPL's corporate greed and I deserve lower electric rates.

Dear Public Service Commission, I am writing this letter on behalf of all Floridians, especially the ones who are on a fixed income, elderly and disabled such as me. If there is anyone who should receive a benefit from the Tax Cut and Jobs Act it should be your customers not the Share Holders. I hope that that whom ever have the power to do this, will come to

the understanding to know that to direct these savings for the bill reductions of all your customers is the right and fair thing to do.

Sincerely,

Willette D Harmon

With skyrocketing healthcare, housing prices and minimal increases in Social Security, a decrease in monthly bills add up for people like me.

We need lower rates, now!

Sincerely,

Miss Willette Harmon
