Public Service Commission PSC, PSC,
FL

Dear Public Service Commission PSC,,

Florida Power & Light gets a \$649.6 million tax cut and wants to reward its investors, not its customers?

I've had enough of FPL's corporate greed and I deserve lower electric rates.

As a Floridian age 50+, I'm fed up that Florida Power & Light is getting a massive tax cut and is passing those savings to shareholders.

Customers across the U.S. have enjoyed lower bills as a result of a tax savings. We should too.

Why is it that as an Oversight Commission, the Florida Public Service Commission, is not doing it's job and requiring FPL to refund their tax savings back to it's customers, not shareholders.

Could it be that someone is beholden to FPL and afraid to do their jobs, which is protecting consumers ?

Luckily, AARP is watching your moves and will hold you accountable to the millions of seniors and customers of Florida ! Hopefully AARP will also bring this issue to the Governors attention so he can address it soon.

With skyrocketing healthcare, housing prices and minimal increases in Social Security, a decrease in monthly bills add up for people like me.

We need lower rates, now!

Sincerely,

Mr. Bernhard Albrecht
