Public Service Commission PSC, PSC,

Dear Public Service Commission PSC,,

Florida Power & Light gets a \$649.6 million tax cut and wants to reward its investors, not its customers?

I've had enough of FPL's corporate greed and I deserve lower electric rates.

As a Floridian age 50+, I'm fed up that Florida Power & Light is getting a massive tax cut and is passing those savings to shareholders.

Customers across the U.S. have enjoyed lower bills as a result of a tax savings. We should too.

There is no reason why this savings is not also being passed along to consumers who have long paid their fair share, especially older Floridians.

FPL, do your part and give Floridians their fair tax cut too.

Thank you.

Deborah Dietz

With skyrocketing healthcare, housing prices and minimal increases in Social Security, a decrease in monthly bills add up for people like me.

We need lower rates, now!

Sincerely,

Mrs. Deborah Dietz
