Dear Public Service Commission PSC,,

Florida Power & Light gets a \$649.6 million tax cut and wants to reward its investors, not its customers?

I've had enough of FPL's corporate greed and I deserve lower electric rates.

As a Floridian age 60+, I'm fed up that Florida Power & Light is getting a massive tax cut and is passing those savings to shareholders.

Shame on you! Customers across the U.S. have enjoyed lower bills as a result of a tax savings. We should too.

My husband and I are on a fixed income so every dollar counts. Please pass that huge tax cut you received on to your customers instead of the shareholders. For once, consider your customers!

With skyrocketing healthcare, housing prices and minimal increases in Social Security, a decrease in monthly bills add up for people like me.

We need lower rates, now!

Sincerely,

Mrs. Carol Moschetto
