Public Service Commission PSC, PSC,
FL

Dear Public Service Commission PSC,,

Florida Power & Light gets a \$649.6 million tax cut and wants to reward its investors, not its customers?

I've had enough of FPL's corporate greed and I deserve lower electric rates.

As a senior citizen of Florida, age 60+, I'm very disgusted over the situation involving Florida Power & Light getting a massive tax cut, of which savings are being passed onto shareholders and not it's customers. As a senior citizen, my income is limited, and do not have the luxury to have such tax savings. Customers across the U.S. have enjoyed lower bills as a result of a tax savings. We should too.

Sincerely, Brian White

With skyrocketing healthcare, housing prices and minimal increases in Social Security, a decrease in monthly bills add up for people like me.

We need lower rates, now!

Sincerely,

Mr. Brian White
