Public Service Commission PSC, PSC,
FL

Dear Public Service Commission PSC,,

Florida Power & Light gets a \$649.6 million tax cut and wants to reward its investors, not its customers?

I've had enough of FPL's corporate greed and I deserve lower electric rates.

As a Floridian age 50+, I'm fed up that Florida Power & Light is getting a massive tax cut and is passing those savings to shareholders.

Customers across the U.S. have enjoyed lower bills as a result of a tax savings. We should too.

My husband and I are both retired and would certainly appreciate a reduction in our FPL bill. We have high costs for health insurance due

to our health issues and many prescriptions we use. My husband is also a veteran and proud of his military service.

We certainly hope you realize that the effect of a lower FPL bill would help so many people in Florida who are deserving.

With skyrocketing healthcare, housing prices and minimal increases in Social Security, a decrease in monthly bills add up for people like me.

We need lower rates, now!

Sincerely,

Ms. Elizabeth Johnson
