Re: Petition for Approval of Demand Side Management Goals and Residential Customer Assisted and Commercial Walk-through Energy Audit Programs, by Peoples Gas System; Docket No. 20180186-GU

Dear Mr. Teitzman:

The above referenced docket is scheduled for consideration at tomorrow's Agenda Conference. Peoples Gas System ("Peoples") needs to seek clarification of an item in staff's recommendation. Accordingly, Peoples hereby requests deferral of Item 8 on tomorrow's Agenda to a later Agenda Conference. This would allow Peoples to obtain clarification of the issue in question.

Thank you for your assistance with this matter. If you have any further questions or comments, please do not hesitate to let me know.

Sincerely,

Andrew M. Brown
