RE: FPSC Inquiry 1305966C

Dear Mr. Bello:

The Governor's office forwarded your concerns regarding Florida Power & Light Company (FPL) to the Florida Public Service Commission (FPSC). The FPSC regulates investor-owned electric, and natural gas utilities throughout the state, and investor-owned water and wastewater utilities in those counties which have opted to transfer jurisdiction to the FPSC. The FPSC has authority in the telephone industry which is limited to the Lifeline Assistance Program, Florida Relay Service, and pay telephone service. We appreciate the opportunity to respond directly to you.

You expressed concerns about FPL's petition for consideration of the tax impacts associated with Tax Cuts and Jobs Act of 2017. We will add your comments to the correspondence side of Docket No. 20180046.

If you want further case information, visit the FPSC's website, www.floridapsc.com and click on the Clerk's Office tab, then hit Dockets and type in Docket number 20180046; all submissions can be found by accessing the Document Filing Index.

If you have any questions or concerns please contact me at 1-800-342-3552 or by fax at 1-800-511-0809.

Sincerely,

Ellen Plendl
