Good morning, Phyllis,

In following-up on the party listings for Dockets 20170114-WU and 20160101-WS, it was noticed that Erik Sayler's email address is still shown on behalf of OPC. We are aware that Eric Sayler is no longer with OPC. Those dockets also include Mireille Fall-Fry. We will remove Erik Sayler's email address from the two dockets mentioned above. If you could you please forward a listing of any other open dockets that Mr. Sayler's name should be removed from, and whose name, if anyone, should replace his name in those dockets, we will update our records. Thank you for your help!
