May 14, 2019

Docket No. 20190048-EI – Petition for approval to amend street lighting, outdoor lighting and LED lighting pilot tariffs, by Florida Power & Light Company.

Issue 1: Should the Commission approve FPL’s proposed changes to its SL-1, OL-1, and LT-1 tariffs as shown in Attachment A of staff’s memorandum dated May 2, 2019?

Recommendation: Yes. The Commission should approve the proposed changes to FPL’s SL-1, OL-1 and LT-1 tariffs as shown in Attachment A of staff’s memorandum dated May 2, 2019. The proposed revisions allow FPL to bill the former COVB customers with non-standard lighting and respond to customers’ future requests for special fixtures or poles. The general body of ratepayers will be protected as non-standard lighting customers will be responsible for all costs associated with their lighting facilities. The revised tariffs should become effective on May 14, 2019.
