Re: Docket No. 20190114-WU - Application for staff-assisted rate case in Alachua County and request for interim rate increase by Gator Waterworks, Inc.

Dear Mr. Rendell:

Staff has completed its review and has determined that Gator Waterworks, Inc. (Gator Waterworks or Utility) is eligible for a staff-assisted rate case (SARC). The filing fee in this rate case is \$1,000, which was received by the Commission on May 16, 2019. The filing fee is based on the capacity of the utility's system as provided by Section 367.145(2), Florida Statutes (F.S.). The official filing date for this rate case is July 14, 2019.

Please forward a copy of Gator Waterworks' application for a SARC to the Chief Executive Officer of Alachua County. This is required by Section 367.091(2), F.S., which states, "upon filing an application for new rates, the utility shall mail a copy of the application to the Chief Executive Officer of the governing body of each county within the service area included in the rate request. The governing body may petition the Commission for leave to intervene in the rate change proceeding and the Commission shall grant intervenor status to any governing body that files a petition."

Please file an affidavit stating that this requirement has been fulfilled. The affidavit should be sent to the address below:
