JOINT NOTICE OF PARTIAL STIPULATION

The Citizens of Florida, through the Office of Public Counsel ("Citizens" or "OPC") and Peoples Gas System ("PGS") jointly stipulate the following facts that pertain to matters in Docket Number 20190109:

- On April 25, 2019, PGS filed for recovery of incremental storm response and restoration costs associated with Hurricane Michael in the amount of \$3,382,702, subject to final true-up, through a Storm Cost Recovery Surcharge.
- 2. In its filing, PGS acknowledged that the Storm Cost Recovery Mechanism (SCRM) that it wishes to use was consistent with approach used in the dockets of other utilities and is not part of the orders currently governing PGS's base rates.
- On May 24, 2019, PGS filed its testimony and supporting documents and waived its 60day decision requirement under section 366.06(3), Florida Statutes.
- 4. PGS agrees not to seek incremental storm recovery of \$27,255 of uncollectable accounts because the parties recognize that these costs are not incremental costs permitted by rule 25-6.0143, Florida Administrative Code.
- In consideration of the foregoing, OPC will not object to PGS's surcharge, subject to final true-up of allowable incremental costs.
