DOCKET NO. 20190020-EG  
ORDER NO. PSC-2019-0325-CFO-EG  
ISSUED: August 9, 2019

ORDER GRANTING JEA'S REQUEST FOR CONFIDENTIAL CLASSIFICATION  
(DOCUMENT NO. 06048-2019)

On July 26, 2019, pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code (F.A.C.), JEA filed a Request for Confidential Classification (Request) of information contained in its response to the Staff of the Florida Public Service Commission's (Staff) Twelfth Set of Interrogatories, Nos. 88-94, specifically No. 90b (Document No. 06048-2019). This Request was filed in Docket No. 20190020-EG.

Request for Confidential Classification

JEA contends that the information contained in its response to Staff's Twelfth Set of Interrogatories, No. 90b, as more specifically described in Attachment 1 to its Request, constitutes proprietary and confidential business information entitled to protection under Section 366.093, F.S., and Rule 25-22.006, F.A.C. Attachment 1 is a matrix identifying specific information within JEA's response which JEA considers confidential. JEA asserts that this information is intended to be and is treated by JEA as private, and has not been publicly disclosed.

JEA contends that the highlighted information contained in its response to Staff's Twelfth Set of Interrogatories, No. 90b, contains JEA's actual and estimated expenses for consultant fees, along with the total expenses from which the consultant fees could be determined. JEA argues that such information is entitled to confidential classification pursuant to Section 366.093(3)(d) and (e), F.S. JEA requests confidential classification of this information for a period of at least 18 months.

Ruling

Section 366.093(1), F.S., provides that records the Florida Public Service Commission (Commission) has found to contain proprietary business information shall be kept confidential and shall be exempt from Chapter 119, F.S. Section 366.093(3), F.S., defines proprietary confidential business information as information that is intended to be and is treated by the company as private, in that disclosure of the information would cause harm to the company's ratepayers or business operations, and has not been voluntarily disclosed to the public. Section 366.093(3), F.S., provides that proprietary confidential business information includes, but is not limited to:

(d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms.

(e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information.

Upon review, it appears the above-referenced information satisfies the criteria set forth in Section 366.093(3), F.S., for classification as proprietary confidential business information. The information described above and in JEA's Request appears to contain information concerning bids or other contractual data, the disclosure of which would impair the efforts of JEA or its affiliates to contract for goods or services on favorable terms, and information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information. Thus, the information identified in Document No. 06048-2019 shall be granted confidential classification.

Pursuant to Section 366.093(4), F.S., the information for which confidential classification is granted herein shall remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. At the conclusion of the 18-month period, the confidential information will no longer be exempt from Section 119.07(1), F.S., unless JEA or another affected person shows, and the Commission finds, that the records continue to contain proprietary confidential business information.

Based on the foregoing, it is hereby

ORDERED by Commissioner Donald J. Polmann, as Prehearing Officer, that JEA's Request for Confidential Classification of Document No. 06048-2019 is granted. It is further

ORDERED that the information in Document No. 06048-2019, for which confidential classification has been granted, shall remain protected from disclosure for a period of up to 18 months from the date of issuance of this Order. At the conclusion of the 18-month period, the confidential information will no longer be exempt from Section 119.07(1), F.S., unless JEA or another affected person shows, and the Commission finds, that the records continue to contain proprietary confidential business information. It is further

ORDERED that this Order shall be the only notification by the Commission to the parties of the date of declassification of the materials discussed herein.

By ORDER of Commissioner Donald J. Polmann, as Prehearing Officer, this 9th day of August, 2019.

This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code; or (2) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Office of Commission Clerk, in the form prescribed by Rule 25-22.0376, Florida Administrative Code.
