Hi Beth,

On closer examination, you are also already an interested person in Docket 20190131 as part of the groups, "MCD Notice of Rulemaking (Electric)" and "MCD Notice of Workshops (Electric)." So, I have removed your individual contact information to avoid duplicate notices coming to you. I'm also confirming that your contact information is in the groups for "All Notices of Rulemaking," and "All Notices of Workshops" for electric, gas, and telecommunications. See screenshot below. Give me a call if you have any questions or concerns. I'll still follow-up on the e-mail issues with IT.

Thanks, Dorothy. I really appreciate it! I've sent the emails to you by separate email. I wouldn't be surprised if I'm going to spam. There's something about our domain name that seems to trigger security apps. Also, if you, here is the name and info for the person that needs to be added for Docket 20190135:

Chari.Lawrence@cox.com

Chari E. Lawrence
Manager, Regulatory Affairs
Cox Southeast Region

Baton Rouge, LA 70806
O: 225.237.5134

Many many thanks!!

Have a nice weekend.

Hi Beth,

I'm sorry for the trouble you've been experiencing. I just checked with the person who handles the spam, junk, deleted, sent, and inbox folders for the Records Clerk address, and don't see anything at all from you at all. I note that your email to me says, "{BULK}" in the subject line, and that usually happens when it's "junk/spam" mail. So, your messages may be getting hung up somewhere.

Per your request below, I've added your contact information to Docket 20190131. I didn't have sufficient information to add anything to Docket 20190135 for Cox.

Can you please forward me the emails that you sent for the requests below? I can get with IT and see if they are getting hung up in the server somewhere.

Thank you for your help!

Please note: Florida has a very broad public records law. Most written communications to or from state officials regarding state business are considered to be public records and will be made available to the public and media upon request. Therefore, your e-mail communications may be subject to public disclosure.

I'm so sorry to bother you, but I'm wondering if you can help me figure out how to get my name added as a specific "interested person" for Docket No. 20190131.

I also need to get a contact for Cox added as an "interested person" for Docket No. 20190135.

I've sent several emails to the Clerk@ PSC address, but no results.

Again, so sorry to bother you.

Beth
