RE: Application for a SARC for West Lakeland Wastewater, LLC in Polk County Docket # 20180202 and Application for a SARC in Manatee County by Heather Hills Utilities Docket #20190113

Dear Commission Clerk:

Please find enclosed Contract for accounting services for Florida Utility Services; we will allocate the cost of this agreement to all utilities by number of customers.

Because of the addition of utility companies, I have found my one person accounting department is becoming overwhelmed. Instead of trying to put in a request to hire another person to help, I thought it best to go this route considering the sensitive nature of the company finances and my personal tax information. According to my accounting Department, this agreement is advantageous because the contract accountant will already have the information at hand to prepare my Federal Income Taxes.

The enclosed agreement is with the same accountant that prepares my Federal Income taxes.

On behalf of the company,

Mike Smallridge.
