Re: Docket No. 20190001-EI- Fuel and purchased power cost recovery clause with generating performance incentive factor; Public Counsel's Confidential Amended and Supplemental Responses (Request No. 2) to Duke Energy Florida's First Set of Requests for Production of Documents (Nos. 1-6).

Dear Mr. Teitzman:

Enclosed for filing in this docket on behalf of the Office of Public Counsel ("OPC") is one (1) copy of a disc containing Public Counsel's ("OPC") Objections and Confidential Amended and Supplemental Responses (Request No. 2) to Duke Energy Florida's First Set of Requests for Production of Documents (Nos. 1-6).

DEF has filed a Notice of Intent to Request Confidential Classification for the portion of Response No. 2. At DEF's request and with its assistance, the OPC redacted the information that DEF asserts is confidential. The redacted public version was then served on Commission Staff on September 19, 2019. It is the OPC's understanding that DEF will make the appropriate filings to designate and justify its claim of confidentiality for the information contained in the response to Request No. 2. Once that filing is made with the Commission, the information in this filing can be returned to the OPC.

On September 19, 2019, other parties were served with the redacted responses pursuant to the certificate of service accompanying that redacted response, while this confidential response to Request No. 2 has been served pursuant to the separately filed Notice of Service of Public Counsel's Objections and Confidential Amended and Supplemental Responses (Request No. 2) to Duke Energy Florida's First Set of Requests for Production of Documents (Nos. 1-6).

Should you have any questions please do not hesitate to call Charles J. Rehwinkel at 850.488.9330

Sincerely,

/s/ Thomas A. (Tad) David
