Commissioner Donald Polmar
Florida Public Service Commission
2540 Shumard Oak Blvd
Tallahassee FL 32399-0850

I would like to encourage you to approve the settlement agreement on the Solar Together program. I think it is a good plan to address the energy burdens of low-income customers who would like to benefit from solar power. Solar power as a major source of clean & economical energy for Florida is a good step to a better future for our state.

Kathy Melton
